Comprehensive Plan: Your Input Is Important!

8:10 – 9:00 PM

Philip Poe

Five Points Co-Chair

The goal of the new Comprehensive Plan is to establish a framework for future growth in Raleigh. An important component of the plan is our neighborhoods. If the new plan includes a realistic vision for our neighborhoods, it should provide a more predictable future and eliminate much of the turmoil that often consumes our lives today.

Discussions at the meeting will include:

- Review of the latest timetable for reviewing and approving the the new Comprehensive Plan
- Overview of the public review process
- Identification of critical issues and concerns for our neighborhoods
- Recruitment of volunteers to help with the review of the draft plan
- Next steps
